

Nexo Solutions Announces Successful Completion of Archway Sales, Inc. Acquisition

Nexo Solutions Continues to Build Capability in Specialty Chemicals

Nexo Solutions, a leader in chemical distribution, announced that it has successfully completed the acquisition of Archway Sales, Inc. and JACAAB, LLC (“Archway”). This acquisition reflects Nexo Solutions’ continued focus and commitment to expand its presence in specialty chemicals.

This acquisition creates a strong market position through superior service and a comprehensive product offering. The combined capability of Nexo Solutions and Archway creates a full line distributor and a true leader in the CASE (coatings, adhesives, sealants and elastomers) industry.

“We see this acquisition as a union of strengths,” says Nexo Solutions’ President and CEO, David Bradley.

“Archway has a very strong sales force and excellent brand equity in the marketplace, which will maximize our opportunities for growth.”

David Baumstark will serve as President and will continue to lead the business and operations out of its existing facilities.

About Archway

Archway is a top chemical distribution company and provider of specialty chemicals with more than 45 years serving customers in the Midwest, Northeast, Central, Southeast, and West regions of the U.S. With more than 100 employees, Archway operates from their headquarters in St. Louis as well as regional offices in Kansas City, Memphis, Chicago, Ohio, Atlanta, and Elmsford, NY. Focused on specialty products, Archway is a preferred distributor of CASE, Polymers, and other chemical products representing some of the top names in chemical suppliers.
