22 July 2016

Subject: The Commercial Operation of UHV Project

To President
The Stock Exchange of Thailand

IRPC Public Company Limited ("the Company") would like to inform that the Upstream Project for Hygiene and Value Added Products or UHV Project has commenced the commercial operation on 16 July 2016. Consequently, the sales revenue from the operation of UHV project is realized from 16 July 2016 onwards.

UHV project upgrades the low value product, fuel oil, to be high valued-added products. The main product of UHV is 320,000 tons of propylene per year which will be the feedstock in the polypropylene expansion unit.

Please be informed accordingly.

Yours sincerely,

-Signature-
