[Chemicals \(/en/products/chemicals\)](#)

SABIC and ExxonMobil Chemical Company have announced the selection of a site in San Patricio County, Texas, for potential development of a jointly-owned petrochemical complex – currently under study – on the US Gulf Coast.

[Metals \(/en/products/metals\)](#)

[Business \(/en/products/business\)](#)

The investment would include a world-scale ethane steam cracker capable of producing 1.8 million tonnes of ethylene per year, which would feed a monoethylene glycol unit and two polyethylene units.

[Back](#)

The project, currently under study, reflects SABIC's strategy to advance the company's growth in key markets such as the United States.

[Industries \(/en/industries\)](#)

[Agriculture \(/en/industries/agriculture\)](#)

to supply new markets," said Yousef Al-Benyan, SABIC Vice-Chairman and CEO. "The proposed

[Automotive \(/en/industries/automotive\)](#)

investment will help us to back, capitalize on the growing global demand for ethylene-based products, and reinforce SABIC's

[Consumer \(/en/industries/consumer\)](#)

"This decision represents a significant milestone for both the local community and the state of Texas," said Neil Chapman, president of

[Electrical & Electronics \(/en/industries/electrical-and-electronics\)](#)

ExxonMobil Chemical Company. "We wish to thank local and state officials who have been instrumental in the site selection process, as well as

[Healthcare \(/en/industries/healthcare\)](#)

everyone in the community who attended meetings to learn more about the project and provided us with constructive feedback. We will

[Industrial \(/en/industries/industrial\)](#)

continue listening to local residents and businesses and look forward to continuing to work together."

[Mass Transportation \(/en/industries/mass-transportation\)](#)

With site selection completed, ExxonMobil and SABIC will now apply for the necessary permits from the Texas Commission on Environmental

[Packaging \(/en/industries/packaging\)](#)

Quality. Each company will make a final decision on the investment after the required permits have been granted.

[Innovation](#)

[Back](#)

ExxonMobil and SABIC have worked together for 35 years in major chemical joint ventures in Saudi Arabia; the proposed project represents the

[Our Premises \(/en/innovation\)](#) based joint venture.
